CONFIDENTIAL
MEMORANDUM

November 15, 1991

TO: All EAP Desks

FROM: EAP/CM - Mark Mohr, Acting

SUBJECT: Recent Positive Items in the U.S.-China Relationship

Your attention is drawn to the attached cable received from Embassy Beijing yesterday. As our colleagues in the Bureau, we thought you might find it of interest to read this cable during the Secretary's trip to Beijing as a counterbalance to the unending string of negative newspaper reports about China which our troubled relationship over the last two years has generated.
